EDUCATION

MCA (pursuing)

Chandigarh University ,Punjab

08/022 - Present

BCA

A . M College Bihar

09/2017 - 11/2020

Intermediate

Mahavir College

06/2015 - 05/2017

Matriculation

Gyan bharati Public School , Gaya

04/2014 - 05/2015

PERSONAL PROJECTS

Personal Portfolio (07/2023 - Present)

- **Description:** Developed a responsive personal portfolio website using HTML, CSS, JavaScript, and React.js to showcase my skills and projects. The website features a clean and modern design, smooth animations, and interactive elements.
- Tools Used - HTML | CSS | Javascript |ReactJs
- Key Contribution - Implemented the front-end using HTML, CSS, and JavaScript, ensuring a seamless and visually appealing user experience. Utilized Reactjs to create dynamic components, enabling efficient content management and updates.

Online Video Streaming Site (07/2023 - Present)

- Description - Created a cutting-edge video streaming site like YouTube, utilizing advanced React data rendering and Redux state management. Ensured seamless video playback and responsiveness across all devices. Integrated YouTube API for content retrieval and employed OAuth and Firebase Auth for secure user authentication and authorization.
- Technologies Used - React | Redux | YouTube API | OAuth | Firebase Auth | Sass
- Responsibilities - Utilized React to build the frontend components and implemented advance data rendering technique to optimize performance.
- Key Learnings - Gained extensive experience in React development, utilizing advanced data rendering techniques to optimize performance and user experience. | Aquired knowledge of integrating third-party APIs, such as YouTube API, to fetch and manage external content within the application.
